TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

The River Shin is a short river which connects the Loch of the same name with the sea at Dornoch Firth. Its banks are beautifully wooded and the river itself of a wild and rugged beauty, in places forming a charming series of rapids and falls, which, although of no great height, are of considerable beauty. The fishing on both loch and river is excellent, salmon and trout being the chief catch.

(For Address Only.)

Printed in England.
